

Guidelines for poster presenters

August 27 - 30, 2017

OSLO, NORWAY

Poster preparation

Each presenter will be allocated one numbered board situated in Expo 1. Which number your poster has, can be found in the abstract book and at the registration desk.

The maximum size allowed for your poster is:

90 cm wide x 120 cm high (portrait format)

You must follow these directions - larger posters will not fit the boards!

The boards have a laminated surface. Self-adhesive velcro tape for attaching your poster to the board will be handed out at the registration desk.

Posters are usually more attractive when mounted onto a single background rather than being mounted on the board as several separate sheets.

You are invited to bring copies of your poster on A4 sheets to hand out to interested delegates.
